Impact of spending 2013-14
<ol style="list-style-type: none"> 1. Attendance: school's data shows attendance has improved and is above national average, although slightly below the school's overall average. 2. Some trips and visitors were subsidised enabling all children to benefit from and enjoy experiences they may not have had. 3. Speech and language groups: these raised children's confidence, developed their speaking skills and enabled them to contribute more in class. They also made good to outstanding progress in reading, writing and maths. 4. Early Years Social Inclusion groups: children's social skills improved and they made good to outstanding progress in reading, writing, maths and speaking and listening. 5. Children receiving learning mentor support achieved well and all made considerable progress with their social skills. 6. Progress is broadly similar for children eligible for Pupil Premium funding and those not, across all year groups and all subjects

7. Phonics: 74% of eligible children passed the phonics test in Year 1, which is slightly below those not eligible but is above the national average for 2013.
8. KS2: Pupils eligible for Pupil Premium attained below those not eligible, although they attained higher than those eligible nationally.
